Piper Back from Malaysian Confab

By Michael Collins Piper

The upcoming FIFTH INTERNATIONAL CONFERENCE ON AUTHENTIC HISTORY, REAL NEWS & THE FIRST AMENDMENT, sponsored by ***American Free Press*** and ***The Barnes Review***, is going to be an event that you won't want to miss. Conferences such as this are important not only for the reason that they bring forth important lecturers who provide valuable information but also for the simple fact that they also bring together like-minded patriots together in an atmosphere of camaraderie. In addition, lasting and valuable friendships and associations have been forged at these gatherings, as many previous attendees can attest.

CONFERENCES ARE IMPORTANT

Recently, I had the honor and pleasure of being a speaker at a major gathering in Kuala Lumpur, Malaysia, the International Islamic Fair, attended by more than 600 people (many from around the globe). Joining me at the conference were two fellow Americans, 9-11 survivor William Rodriguez and philanthropist Jimmy Walter, both noholds-barred critics of the U.S. government's 9 - 11 cover-up. Although I had never met either of these well-known individuals, I am proud to say that I now call them friends. And I can assure you that those who came to that conference were mightily impressed with what both William and Jimmy had to say.

Following that gathering, I was a special guest of former Prime Minister Dr. Mahathir Mohammad — the gentle, but still candid and outspoken "Father of Modern Malaysia" — at a special session of the Perdana Global Peace Forum of which Dr. Mahathir is chairman. Some 1,000 people were on hand to hear a host of prominent speakers discuss the dangers of global war being sparked by those whom Dr. Mahathir frankly referred to as "war criminals" — namely George W. Bush and Tony Blair. This conference was action-oriented and is working to advance the goal of peace — and making the waging of war a criminal act.

It is no exaggeration to say that the upcoming FIFTH INTERNATIONAL CONFERENCE ON AUTHENTIC HISTORY, REAL NEWS & THE FIRST AMENDMENT is quite as vital as both of these gatherings held in Malaysia. The conference can and will help lay the groundwork for vital action by patriots here in America and help chart a future course for all who are concerned about the future of our country and that of the world. Don't miss the opportunity to attend!
